# A DEDICATION TO PYROTECHNIC PERFECTION

**Celebrating 20 years of creating lasting impressions,** Premier Pyrotechnics specializes in producing elegant displays of pyrotechnics to commemorate occasions of all kinds... and once in a lifetime moments. Since 1999 we have provided the highest quality products and services available. If you are a bride, groom or proud parent of a bride to be, we welcome you to a company that truly cares about making your fireworks dream show a reality.

**Whether it be a first dance,** reception, send off or to cap off the night, one of our packages is sure to create a memorable impression for you and your guests for years to come. As every event is unique, Premier Pyrotechnics will work closely with you and your venue to make your occasion a one of a kind experience.

**Safety is our highest priority** for personnel working the display as well as your guests who come to enjoy it! All of our displays are a complete turnkey offering from setup to cleanup and include a \$5,000,000 liability insurance covering the sponsor, the public, the property owners and other participants as well as shoot site assessment and permitting from your venue's local authority.

# PACKAGE OFFERINGS

**All of our packages feature** larger style commercial display firework products, much like what would be used at municipal displays across the country. Displays include selected effects such as aerial shells, multi shot barrages and of course... ***A spectacular grand finale!***

## **Silver**

\$2000

## **Gold**

\$3000

## **Diamond**

\$4000

## **Custom**

Indoor, outdoor, on a rooftop, in a field, on a barge, choreographed to music or all together in one, the sky is only limited by imagination. Let us work with you in creating a one off display of unrivaled grandeur. *Call for pricing.*

## **Fountain Package – \$395**

Make a grand entry, exit or first dance as silver fountains line the driveway, walkway or dance floor. *Requires Silver Package or higher.* (Additional mileage charges may apply dependent upon location.)
